To: Miracles Baseball Academy

Mike,

I just wanted to take the opportunity to "Thank You" and the rest of the Miracles Coaching staff for your dedication and energy you have put into developing one of the finest Baseball Schools in America.

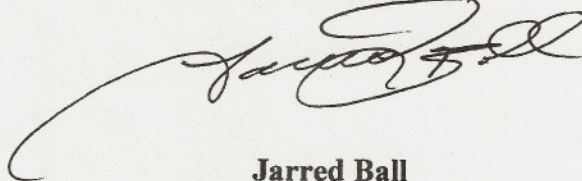

The experience of competing against some of the best select athletes in our nation down in Florida are memories I will carry with me the rest of my life.

The long hours of instruction, both in Baseball and Character building, I received through your program have helped me to achieve my main goal in life "To have the opportunity to play Professional Baseball".

I will be leaving shortly to go to my first Spring Training, but I will be taking along with me all that I was able to become through our six years of friendship, and all that the Miracles Baseball Academy has helped me to achieve.

Once again, Thanks for everything and keep helping the future young Stars the way you did for me.

Yours in Christ,

Jarred Ball
