WHAT MAKES MIRACLES DIFFERENT FROM THE OTHERS ?

We Develop You Better To Be Your Best!

Mission Statement: Creating Miracles in Life Through Character Development in Baseball/Softball.

We are unmatched in this area. We truly care about our players both on and off the field, in and out of the school house, church house, and homes. *Miracles practice while many other programs don't.*

"Our teams practice on a regular basis! Our training sessions are intense yet gratifying, creating a thirst for more..." Mike Harris

Can you think of any good reason why you should not partner with us?

Miracles participate in the lives of its players & parents. Our quality instructors also help train thousands of players including those belonging to other baseball and softball organizations at Miracles Baseball Academy, a 9000 square foot indoor facility. **We are a Non Profit 501 (c) 3 organization. Your tax deductible donations and player/program sponsorships are greatly appreciated.**

It is our goal to use the same successful formula that has created our first class baseball organization and apply it to women's softball as we expand.

JONATHAN DZIEDZIC

Atascocita H.S./Lamar University (P)

I would even say Miracles is a one of a kind team. You have ex-professional athletes giving you all of their knowledge about the game of baseball as well as feeding you the Word of God. The Miracles has made me a better baseball player and a better person. I have made friendships that will last for a lifetime. Miracles was the greatest three years of baseball in my life.
